

Join us for a free New Year's Day hike!

Where: Gorgeous 4,000-acre Spring Lake Forest Preserve in Barrington Hills, IL. Trek into the heart of towering woodlands and vast meadows; through prime deer, fox, coyote and bird habitats; along lovely Hidden Pond and Penny Road Pond; and past muskrat lodges and deer beds.

When: Mon, Jan. 1 from 10 am - noonish. Arrive by 9:50 so you can don winter clothes & use the outhouse.

Hike details: We'll hike about 3 miles, snow conditions allowing. We'll be following backwoods trails much of the time. While the trails are mostly level and clear of fallen branches, they could be icy or muddy, so we recommend bringing a hiking stick/pole.

Who: We can take the 1st 25 women who sign up ... and we welcome "newbies." Spots fill quickly!

Sign up below or online (get that link on our website: www.TrailboundTrips.com)

In mid-December, we'll email you hike details, driving directions, and tips on dressing for winter hiking.
