To provide mushers more personal attention, *Nature's Kennel* limits the number of riders & drivers each day, so most options are available on a first-come basis. Also, note that *Nature's Kennel* schedules their guides, races, sleds, and dogs according to our sign-up. Respecting this schedule, we cannot change your ride request or issue ride refunds within 45 days of our event. And, as in all physical activities, there's the possibility of fatigue or injury that day, for which we also cannot issue refunds. Thank you for understanding!
